

Curation

Your personal taste, harmonized from *Makeup* to *Living Space*.

The Unified Flow

We provide a seamless 4-step transformation journey:

- ✓ **Makeup:** Personal Color & Look
- ✓ **Hair:** Style & Trend Matching
- ✓ **Fashion:** Wardrobe Harmony
- ✓ **Interior:** Life-space Deco

Consultation Layers

Visual AI

Initial analysis and automated moodboard generation based on user selfies.

Chat Support

Intermittent check-ins and quick guidance when styling needs adjustment.

Pro Section

Dedicated consultation hub for expert-led deep-dive sessions.

AI Personalized Report

Phase 1 Focus: Providing high-value digital content. We offer customized reports and interior simulations to establish trust and user engagement before introducing physical goods.

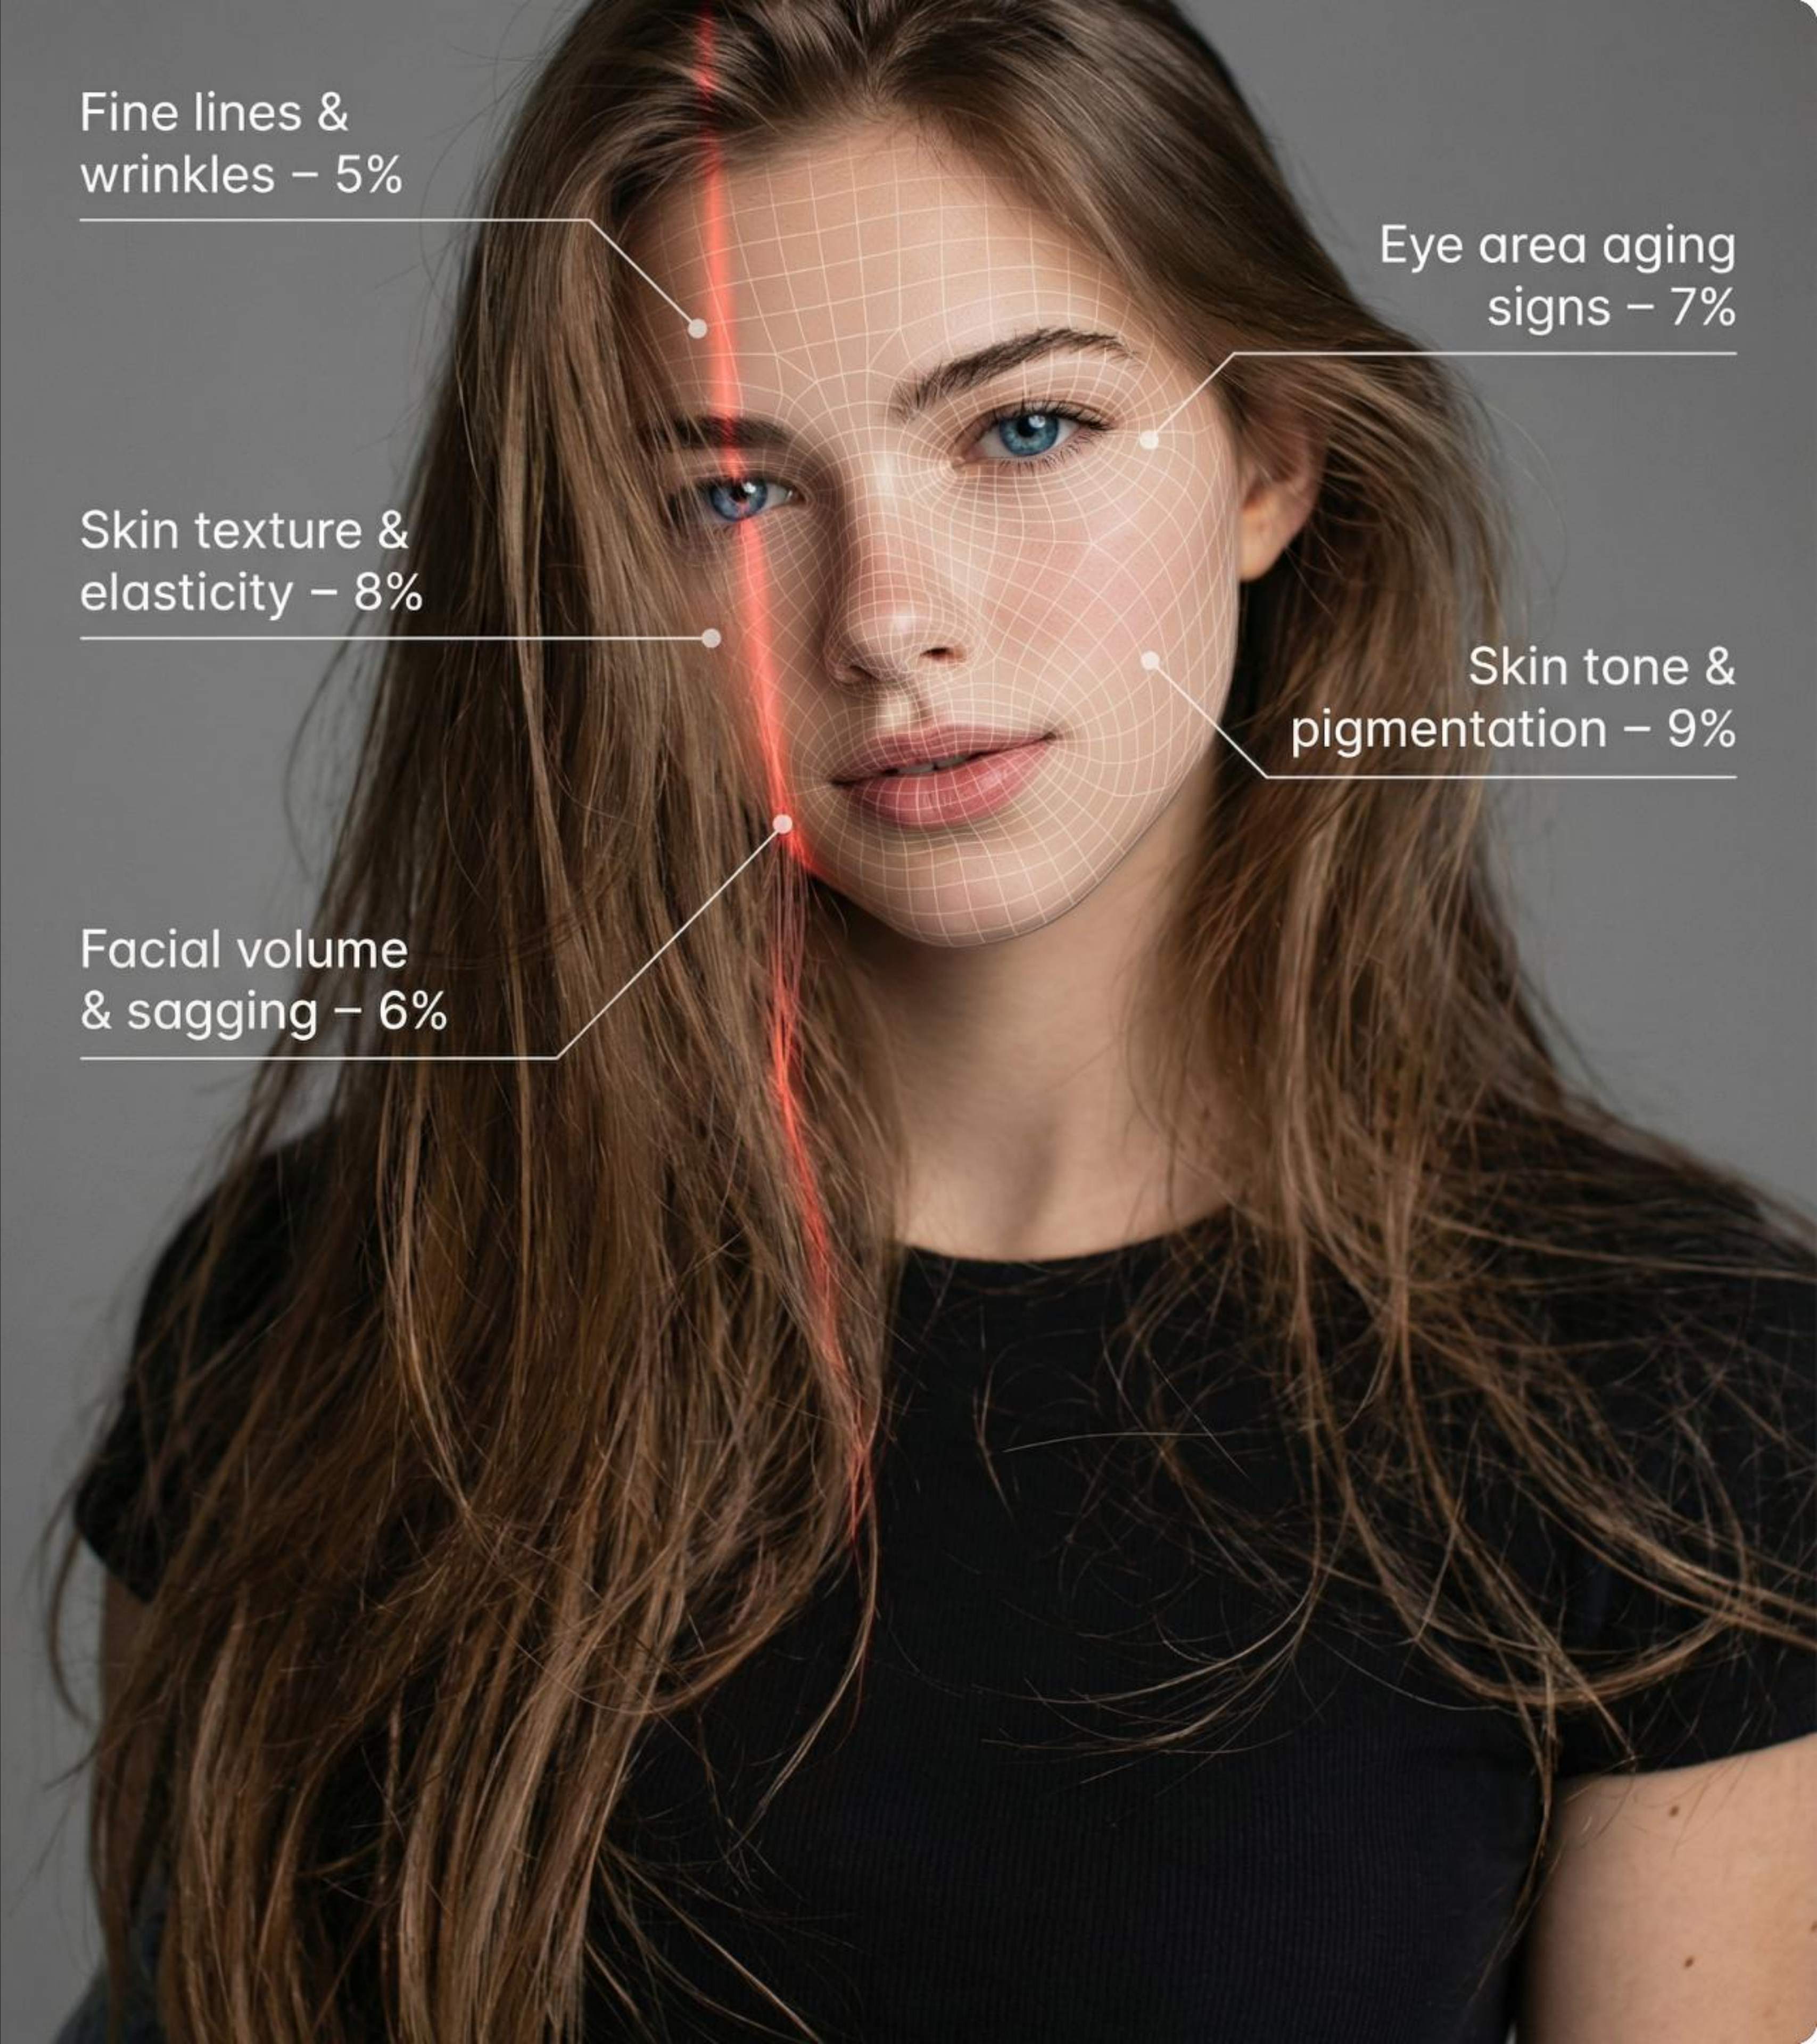

Fine lines & wrinkles – 5%

Eye area aging signs – 7%

Skin texture & elasticity – 8%

Skin tone & pigmentation – 9%

Facial volume & sagging – 6%

Roadmap to Scale

Phase 1: Content

Focus on data acquisition through AI visual curation and expert consultation reports.

Phase 2: Commerce

Scale through add-on styling kits and product sales once demand is verified.
